RECYCLING

Our FOGO project is supported by

JERILDERIE UPDATE

Our new and improved 3-bin kerbside waste service will start in July. Here's all you need to know about how it will be implemented.

YOUR NEW BIN PACKAGE ARRIVES SOON!

Jerilderie Football Club will be delivering:

- 240L organics (FOGO) bin
- 240L recycling bin
- 120L general waste bin (if ordered)
- **red lid** for your general waste bin (unless you have ordered a new 120L general waste bin)
- kitchen caddy for food waste
- 12 months' supply of kitchen caddy bags

Can you please:

If you are keeping your 240L general waste bin (with the **dark green lid**), place it on your nature strip before **8 am on Sunday 18 June 2023**. Your dark green lid will be replaced with a red lid (the green ones will be collected and recycled).

YOUR NEW BIN DAYS ARE MONDAY AND WEDNESDAY

Green-lid Food Organics Garden Organics (FOGO) will be collected weekly - every Monday from 3 July

Yellow-lid recycling will be collected fortnightly - every second Wednesday from 5 July 2023

Red-lid general waste (garbage) will be collected fortnightly - every second Wednesday from 12 July 2023

More information will be mailed later in June (including collection calendars and a sorting guide for recycling).

- Sand
- Shredded paper
- Teabags and coffee pods

**IF IN DOUBT,
THROW IT OUT
IN YOUR RED-LID BIN!**

HOW TO FOGO - USEFUL TIPS

YOUR KITCHEN CADDY

Line with a Council-supplied AS4736 certified compostable liner (store your liners in a cool, dry, dark place when not in use)

Place your food scraps in your caddy (keep the lid on)

When your caddy is full, transfer the bag full of scraps to your FOGO bin

Freeze scraps that might get smelly and place in your FOGO bin the night before collection

Wash your caddy regularly in warm soapy water

YOUR FOGO BIN

Store your bin in the shade, if possible

Place some leaves or grass clippings at the bottom and on top of food scraps to reduce odour

Keep going as normal if you have chooks, dogs, a worm farm or a compost bin - put leftover organics in your FOGO bin (see list above or on our website)

Put your bin out on your nature strip the night before your collection day
