

# JERILDERIE SHIRE COUNCIL

GOVERNMENT INFORMATION (PUBLIC ACCESS) (GIPA) ACT 2009

ANNUAL REPORT 2013-2014

## Appendix 1 - Obligations under the GIPA Act

## 1. Review of proactive release program - Clause 7(a)

Under section 7 of the GIPA Act, agencies must review their programs for the release of government information to identify the kinds of information that can be made publicly available. This review must be undertaken at least once every 12 months.

Our Council's program for the proactive release of information involves display of Council's Publication Guide and available records, including Council business papers, annual reports and Council's website. Information regarding accessing information is also available on the website.

During the reporting period, we reviewed this program by ensuring records are available, and updating records/existing information where needed.

As a result of this review, we released the following information proactively - 1 formal access application was granted in full.

#### 2. Number of access applications received - Clause 7(b)

During the reporting period, our agency received a total of **1 formal access application** (including withdrawn applications but not invalid applications).

### 3. Number of refused applications for Schedule 1 information - Clause 7(c)

During the reporting period, Jerilderie Shire Council refused a total of **NIL** formal access applications, either in full or in part, because the information requested was information referred to in Schedule 1 to the GIPA Act.
