# Welcome to the Murrumbidgee

*We acknowledge the Traditional Custodians of the lands we invite you to explore, and pay our respects to Elders both past, present and emerging. We celebrate the diversity of Aboriginal people and their ongoing cultures and connections to the lands and waters of our region.*

Connected by the Kidman Way, the Murrumbidgee Council area is linked to major markets including Melbourne (approximately 420 kilometres south) and Sydney (approximately 640 kilometres east).

Covering an area of 6,880 square kilometres, agriculture is the backbone of our economy. The mix of temperate climate, rural location, food and fibre production, and the natural water assets makes our area ideally suited to agricultural production. This includes over 100 kilometres of natural river frontage to the Murrumbidgee River and also the longest creek in Australia, the Billabong Creek.

# Coleambally

A vibrant and harmonious community with beautiful gardens and streets named after local birds, the town was established in 1968 to service the Coleambally Irrigation Area. It's the State's newest town and was fully planned. An RV Friendly town, we're located on the Kidman Way between Darlington Point and Jerilderie, and offer a restful place to pause and revitalise.

Coleambally is an innovative and robust agricultural centre. Over 90 businesses are located in the township area, with serviced industrial land readily available to investors.

The Brolga Place retail precinct is right in the heart of the community. Open space, BBQ and interpretative signs are located within John McInnes Square. The coffee and cakes at Brolga Place are as warm and sweet as the welcome.

There is a strong sense of community and pride in Coleambally. High levels of volunteerism make the Taste Coleambally Food & Farm Festival (every second year) and Riverina Vintage Machinery Rally (every second year) stand-out events for visitors and locals. Sporting and community events engage all age groups and interests throughout the year.

# Jerilderie

The township of Jerilderie, established in 1859, is nestled on the banks of Australia's longest creek, the Billabong Creek, and is located on the Newell Highway, which is the main inland route linking Melbourne & Brisbane. Jerilderie (the English translation for the Jethi Aboriginal Tribe's word of 'djirridhuray'), meaning 'with reeds' or 'reedy place', is also the commencement of the Kidman Way.

Jerilderie is where bushranger Ned Kelly attempted to have his 8,000 word manifesto printed by the local newspaper editor in 1879. The historic town is the only NSW town raided by the Kelly Gang.

Jerilderie was also the home of the young Sir John Monash who, at 9 years of age, moved to Jerilderie with his family and attended Jerilderie Public School.

Large regular events held in Jerilderie include: Australia Day Fireworks Celebrations, Jerilderie BNS Ball, Jerilderie Fun Fair, Jerilderie Working Dog Auction, Royal Children's Hospital Good Friday Charity Golf Day & Jerilderie Gold Cup Races.
