Dear Mr Moffitt

I am writing to draw your attention to new legislative provisions relating to the Joint Regional Planning Panels and Sydney Planning Panels.

As you would be aware amendments to the *Environmental Planning and Assessment Act 1979 (Act)* came into force on 1 March 2018. A key change in the Act now means that property developers and real estate agents are no longer eligible to sit as either state-nominated or council-nominated Panel members.

If you have not already done so, please review Council's nominated Panel members and ensure their continuing eligibility to participate. If you make changes to your council-nominated members please email the Planning Panels Secretariat at enquiry@planningpanels.nsw.gov.au of any changes to Council's members at least two weeks prior to any scheduled Panel meeting.

The categories of regionally significant development can now be found in schedule 7 of State Environmental Planning Policy (State and Regional Development) 2011. The threshold for general development has changed: development that has a capital investment value (CIV) of more than \$30 million is now considered regionally significant development.

Please note that transitional provisions mean any development applications that were lodged but not determined before 1 March 2018 that met the former CIV threshold of more than \$20 million will remain with the Panel for determination.

Under section 8.2 of the Act Panel determinations are now subject to reviews of decisions made on development and modification applications. These reviews will be undertaken by different Panel members to those that made the original decision. Please ensure Council has sufficient alternate council members appointed to enable this decision review function to be carried out in a timely manner.

Another new requirement is that all public Panel meetings are to be recorded and the recording made available on the Planning Panels website at planningpanels.nsw.gov.au. The Panels Secretariat has arranged for audio recording specialists to record these

meetings. However, where Council is equipped to be able to make audio recordings, it would be appreciated if these facilities could be made available for Panel meetings. Could you please contact the Panel Secretariat to discuss how we could use your equipment.

Should you have any questions in relation to any of these matters, please contact Mr Stuart Withington, Manager, Planning Panels Secretariat, on 8217 2061.

Yours sincerely

Dear Craig

JERILDERIE PRESCHOOL KINDERGARTEN INC GRANT APPLICATION

You may recall Jerilderie Preschool Kindergarten Inc applying for a grant under Council's Stronger Community Fund for a new Long Day Care Centre/Preschool.

We are currently working on an application for funding under the NSW Government's Stronger Country Communities Fund, with one of the requirements being that we identify land that we could use to build the proposed Long Day Care/Preschool Centre.

We write to you asking if there is any Council land available that would be suitable for our project, such the site of the old Tennis Courts, located on the corner of Mahonga and Kennedy Streets or blocks at the estate.

Originally we had hoped to utilise the existing Preschool building and build extensions, however after meetings and correspondence with Murrumbidgee Health this is not possible and our future at our current facility is now uncertain.

Thank you for your time, we look forward to your reply.

Yours Sincerely

Carina Rorato

President, Jerilderie Preschool Kindergarten Inc.
