

Murrumbidgee COUNCIL

SCHEDULE 4 – STATEMENT OF ENVIRONMENTAL EFFECTS STANDARD FORM – FOR MINOR DEVELOPMENTS ONLY

About this form

A Statement of Environmental Effects (SEE) is required to accompany all development applications. This SEE template is designed to form an attachment to the Development Application. It can only be used for the following development types:

	Applicable Development Types
✓	Dwellings, single storey in the RU1, RU5 and R5 zones.
✓	Single shops or commercial premises in the RU5 zone*
✓	Residential alterations and additions
✓	Ancillary residential buildings and structures such as, verandahs, carports, garages, she, pergolas, swimming pools.

* Please note that a heritage impact statement is required for all premises within the Heritage Conservation area. This will be required for the majority of developments in the commercial precinct of Jerilderie.

Developments not listed above may require a SEE with greater detail. Please contact Council's Environmental Services section for further information.

The SEE must address all impacts that are relevant to your proposal, with comment on how the development will control or mitigate the impact. No matter how minor the impact please advise Council in this document.

Failure to provide the requested items will delay processing of the development application and may result in the application being returned to you for completion or you receiving an additional information request from Council.
