Proudly brought to you by:

Health  
Murrumbidgee  
Local Health District

# GET TESTED

## COVID-19 Testing Centres

Health  
Murrumbidgee  
Local Health District

## WHO SHOULD GET TESTED?

Anyone who feels unwell should be tested for COVID-19. Testing is critical to help minimise the risk of community to community transmission and to stop the spread.

## COVID-19 SYMPTOMS

Most common symptoms include fever and dry cough. Some people also experience sore throat, shortness of breath, or runny or stuffy nose. Other reported symptoms of COVID-19 include loss of smell, loss of taste, runny nose, muscle pain, joint pain, diarrhoea, nausea/vomiting and loss of appetite.

In more severe cases, infection can cause pneumonia with severe acute respiratory distress.

## SELF ISOLATION

People are required to self-isolate after the test until their result is received, this usually takes around 30 hours and can be received via text message.

## CALL NOW

Call the COVID-19 Hotline: 1800 831 099 (open 7am – 9pm everyday). Callers will receive a confidential over the phone assessment, and if they require testing, an appointment will be made for them at their nearest, or preferred location.

## General Practitioner (GP) TESTING

## GP- Led Respiratory Clinic

Commonwealth funded GP-Led Respiratory Clinics have been set up in Gundagai, Young, Griffith, Tumut, Wagga Wagga or Deniliquin.

The purpose of the respiratory clinic is to assess, test and diagnose mild-to-moderate respiratory conditions, including COVID-19, influenza and pneumonia.

Patients with any of the following symptoms should make an appointment to attend the clinic:

- Fever
- Dry cough
- Sore throat
- Runny or stuffy nose
- Shortness of breath

These clinics are by appointment only and are free for patients.
