

MC COLOUR RUN PERMISSION NOTE

Dear Parent/Guardian

It is our responsibility to seek permission for your child to participate in the 2021 MC Colour Run. All measures have been taken to ensure that this event is safe for all participants.

Your child can still participate in the event should you not wish for them to be sprayed with colour powder. The staff will do their best to throw the powder at the torso, however wind and other factors can cause the powder to protrude on the face. You may wish for your child to bring their own eye protection such as sunglasses or goggles.

The colour powder used in the event is non-toxic, biodegradable and environmentally friendly consisting of 98% corn starch and 2% food colouring. It will likely washout of your child's clothing, however we recommend that your child wears a plain white shirt that you don't mind being coloured. That's what the event is all about!

Based on the toxicology profiles of the powders used, their concentrations in the formulation and the mode of use, the colour powder is considered safe for use. Participants with lung issues such as asthma are advised to be careful in their decision to participate.

Should you wish to view the ingredient listings and toxicology risk assessment of the powder, please see the staff in the Administration Office.

IF YOU DO NOT COMPLETE THE BELOW PERMISSION SLIP THIS WILL CONFIRM THAT YOUR CHILD CANNOT PARTICIPATE

PERMISSION SLIP

CHILDRENS **DISCLAIMER MINORS INDEMNITY** ACCEPTANCE FORM **INDEMNITY** TO BE SIGNED BY THE PARENT OR **legal** GUARDIAN OF CHILDREN PARTICIPATING AT MC COLOUR RUN

1. I, the undersigned acknowledge that my child is over the age of 4 years and I have read or have been made aware of the safety rules pertaining to the participation by my child in the MC Colour Run, and read the Toxicological Risk Assessment report pertaining to the powder to be used at the event, and that I understand these rules and the report and accept the risks which are inherent in the participation in the aforementioned event.
2. I am aware and understand that participation in the event involves intensive physical and mental exertion and exposure to a colour powder. I warrant that my child is free from any medical condition that may endanger his/her life or wellbeing or the life or wellbeing of any other participant.
3. By my signature hereto, I undertake not to hold the Murrumbidgee Council liable for any injury, loss or damage which my child might sustain whilst participating in the event.

I give my permission for to participate in the 2021 MC Colour run.

TOXICOLOGICAL RISK ASSESSMENT

Product Name: COLORED POWDERS

Product Description: Colored Powder for Social Events

Assessment Period: 3 March 2017

Method: This Risk Assessment is conducted in accordance with the United States Code of Federal Regulations 16 CFR 1500.3 Federal Hazardous Substances Act, and the United States Toxic Substances Control Act.

This assessment takes account of:

- a) The general toxicological profile of each ingredient used.
- b) The chemical structure of each ingredient.
- c) The end use of the product.

This document is issued by the Company subject to its General Conditions of Service, available on request or accessible at www.sgs.com/terms_and_conditions.htm and, for electronic format documents, subject to Terms and Conditions for Electronic Documents at www.sgs.com/terms_e-document.htm. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein. Any holder of this document is advised that information contained hereon reflects the Company's findings at the time of its intervention only and within the limits of Client's instructions, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. This document cannot be reproduced except in full, without prior written approval of the Company. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful and offenders may be prosecuted to the fullest extent of the law."

Unless otherwise stated the results shown in this test report refer only to the sample(s) tested and such sample(s) are retained for 30 days only. This document cannot be reproduced except in full, without prior approval of the Company.

TOXICOLOGICAL RISK ASSESSMENT

The formulation is representative of products of this type.

Skin Toxicity- Neat Product

Product as supplied may cause skin irritation.

Product should be washed off with water if it comes in contact with the skin.

Eye Toxicity- Neat Product

Product may cause slight transient eye irritation.

Product should be washed off with water immediately if it comes in contact with the eyes.

Oral Toxicity- Neat Product

If swallowed, the formulation as supplied may cause slight, transient irritation to the mouth and upper digestive tract.

Mouth should be washed with water if ingested and seek medical advice.

If ingested seek medical advice.

This product should be clearly labelled that it is not intended for ingestion.

Inhalation Toxicity

If inhaled, the formulation as supplied may cause irritation of the respiratory tract due to the product format (powder).

TOXICOLOGICAL RISK ASSESSMENT CONCLUSION

Based on the toxicological profiles of the ingredients used in the Colored Powder, their concentrations in the formulation and the mode of use of the product, it is concluded that this product poses a low level of toxicological risk. This product is safe for use.
