That Council rescind resolution Number 16057.

The motion was put and tied (3:3). The Mayor used his casting vote to defeat the motion.

Lost (3:4)

Cr Gilbert moved a motion of dissent, seconded by Cr Wells

I would like to call a motion of dissent to have the chairperson removed for foreshadowing two investigative surveys outsourced by council that is to be documented in cover letter of submission to delegate as to actual outcome of survey which is marginally towards not supporting full merger.

The motion was put and tied (3:3). In accordance with Practice Note No 16, which states "*Should the chairperson fail to exercise a casting vote the motion being voted upon would be lost*", the Mayor declared the motion lost.

There being no further business, the meeting closed at 4.57pm.
