1. PURPOSE AND SCOPE

To provide an Enterprise Risk Management framework which:

- Outlines Council's commitment to an integrated approach to the management of risk, in all forms, which may have an adverse effect on achieving Council's objectives.
- Acknowledges that managing risk is part of governance and leadership, and is fundamental to how the Council is managed at all levels.
- Integrates risk management into Council's decision-making to assist in making informed choices for the benefit of the organisation, Murrumbidgee Council, its community and our stakeholders.
- Promote an atmosphere of risk awareness and willingness to manage risk at all levels of the organisation.

2. POLICY STATEMENT

Murrumbidgee Council is committed to safeguarding the community, managing Council's resources effectively and achieving the goals as outlined in Council's Strategic Plan.

As such, Council will take a structured and integrated approach to the management of its risks, where a risk is defined (in the standard) as *"the effect of uncertainty on objectives"*. This definition can include any threat or opportunity that could potentially prevent, delay or impede Council from meeting its planned objectives or, conversely, improve the potential for success. Through the Enterprise Risk Management Framework (including this policy, plan and registers), Council will address these threats and opportunities through:

- Having an integrated approach to the identification, management, and mitigation of risk in all forms.
- Ensuring that the management of risk is an integral part of Council's decision-making, functions, operations, and processes.
- Promoting a workplace culture of risk awareness including ensuring that Council employees and contractors have the knowledge and tools to manage risk.

The Enterprise Risk Management (ERM) approach utilised by Council primarily follows AS ISO 31000:2018 *Risk Management – Guidelines*. Other risk management standards will be utilised in Council's ERM Plan as appropriate.

3. RISK MANAGEMENT FRAMEWORK FOR MANAGING RISK

Council's Risk Management Plan (the Plan) establishes the Enterprise Risk Management Framework and associated processes.

The Plan is the principle guiding mechanism for managing risk across Murrumbidgee Council. The Plan sets forth how risk must be managed within Council.

- The processes contained within the Plan for managing Council's risks is consistent with the Australian International Risk Management Standard AS ISO 31000:2018 *Risk Management – Guidelines* (the standard).

5. TYPES OF RISK

Strategic risk

Strategic risks have the potential to affect Council's strategic direction, usually from a source external to Council. These risks could have an adverse or beneficial impact on Council's pursuit of its objectives, and should be continually addressed and monitored.

Operational risk

Operational risks have the potential to disrupt Council's pursuit of its objectives through the day-to-day operations of the Council. The disruption could be adverse or beneficial and should be continually addressed and monitored.

Project risk

Project risk exists within the confines of a given project or program of multiple projects. They may be at a level to affect the project/program as a whole or arise from aspects within the project. These risks should be identified at project planning stage and updated, addressed and monitored throughout the project, and signed-off or transferred to the appropriate department at the end of the project.

7. PERFORMANCE AND REPORTING

Risk Register

- Council's strategic and operational risks are recorded in a singular Master Risk Register. Project risks will be recorded in project or program specific registers that are structured identically to the Council Master Risk Register. Project risks left over from projects or that arise because of projects, will be transferred into the Master Risk Register at the closure of the project, or at any more appropriate time.
- The General Manager will delegate custody and maintenance responsibilities for the Master Risk Register to a suitably trained Council officer.
- As they are identified, the risk management delegate will add appropriate risks to the register.
- The Master Risk Register will be held in Council electronic document management system.

Reporting

- The performance of the risk management framework is to be reported annually to the Audit, Risk and Improvement Committee, Council and the community.
- A standardised reporting template will be used as the basis of all risk reporting.
- The template is kept by Council's risk management delegate.

8. REVIEW

This policy should be reviewed every 2 years. The policy may be reviewed and amended at any time at Council's discretion (or if legislative or State Government Policy changes occur).
